Funny!!! Hope all is well.

It's so good to finally get a health warning that is useful!!!

INVOLVES THE SHAMPOO WHEN IT RUNS DOWN YOUR BODY WHEN YOU SHOWER WITH IT
WARNING TO US ALL!!!

Shampoo Warning!

I don't know WHY I didn't figure this out sooner!

I use shampoo in the shower!

When I wash my hair, the shampoo runs down my whole body, and Printed very
clearly on the shampoo label is this warning,

"FOR EXTRA BODY AND VOLUME."

No wonder I have been gaining weight!

Well! I have gotten rid of that shampoo and I am going to start showering
with Dawn dish soap instead. Its label reads,

"DISSOLVES FAT THAT IS OTHERWISE DIFFICULT TO REMOVE."

Problem solved!

If I don't answer the phone I'll be in the shower!
